

VOLUNTEER APPLICATION FORM

There are many reasons people choose to volunteer; whatever reason brings you to the June E. Nylen Cancer Center, we're thrilled you're interested in pursuing your community involvement with us. You can make a difference in the lives of our patients and their families. The volunteer openings include two hour shifts to prepare coffee and drink and to organize the "Refreshment Cart" and offer a snack and drink to those in our lobby, and also to the patients who are here for their treatments. They are very appreciative of the smiles and special care they receive here while going through their treatments. We ask that volunteers pick up two-2 hour shifts a month.
